## A WICKED Good Time Was Had by All!

More than 2700 supporters attended JARC's 28th annual Fall Fundraiser *Wicked, A New Musical* at the Detroit Opera House on December 11, 2008. This sold-out event raised funds to enable JARC to continue providing the highest quality care and services to people with disabilities.

(L to R) Ryan and Lindsay Dembs and Rick Loewenstein

Event chairpersons **Nancy and Howard Luckoff**, along with JARC's committed ticket sellers, raised \$1.3 million in spite of Michigan's present economic climate. Howard praised everyone who contributed to the success, "As JARC enters its 40th year, what began as a dream and a vision continues to blossom — I am grateful to all of you for your generous support of JARC and thankful for our wonderful volunteers, over 200 strong this year. Your support, year after year, is the key to our success."

**Joanne Aronovitz** and **Sherri Ketai** served as Associate Chairs of the successful event.

Over 300 young adults enjoyed signature cocktails, strolling dinner and schmoozing with old and new friends at the *Spellbound Lounge*, the event's pre-glow party. Organizing the successful event were Chairs **Lindsay and Ryan Dembs**, along with Young Adult Committee Chairs **Kate Bush and Dan Montingelli**, and **A.J. and Ben Falik**. The pre-show event was underwritten by **Quicken Loans** and **Matt Prentice Restaurant Group**. According to Ryan, "Our generation is the future of JARC. By attending this event we are strengthening our commitment to JARC and the individuals who benefit from its services."

The event's Title Sponsor was **Fifth Third Bank**. The Motion Picture Premiere Sponsor was **Gary Gilbert** of Camelot Pictures. Event Sponsor was **Schechter Wealth Strategies**; Video Sponsor was **Evolution Media**, Fran Victor and Bill Harder. **Michael A. Jonas Photography** graciously photographed the event.

## Shoshana and Jacob Ben-Ozer Residence Established

We are pleased to announce the establishment of the **Shoshana and Jacob Ben-Ozer Independent Living Residence**, a condominium shared by two gentlemen who are part of JARC's Shetzer Independent Living Services. The naming of the beautiful JARC condominium was made possible by a unique gift from the Ben-Ozers — the donation of their own home in Southfield.

How did the Ben-Ozer's family home become the Ben-Ozer JARC Residence? At the time when the Ben-Ozers donated their home, JARC was unable to use the property. — continued on page 5

## Letter from the President:

ROBERT NUSBAUM

Dear Friends,

**This year JARC celebrates a major anniversary.** We are 40 years old, a milestone of which we should be justifiably proud. Today, as throughout our history, we touch and enhance the lives of thousands of individuals and families with our philosophy of empowering and caring. I know our JARC heart will continue to beat and grow in the decades ahead, providing the best, creating the best and being the best.

Since our earliest days, we have been an integral part of the Jewish community, listening and responding to needs that families of individuals with disabilities have expressed. Our services have expanded over the years, incorporating a wide array of programs, including our group homes and various supported independent living arrangements, respite care, advocacy, Jewish day school inclusion, age-appropriate social groups for children and teens, information and referral services, and community education and training.

JARC offers people with disabilities more opportunities than most other cities around the country to live full, dignified lives in the community. Our advocacy efforts have opened previously closed doors. We are regularly consulted for advice from across the nation, certainly far beyond Oakland County, because we firmly believe that "no" is not an acceptable answer.

To mark the importance of this year to JARC, we have chosen to feature the 11th annual SpringElation Safari as our 40th anniversary celebration event. The fun-filled evening will be held on June 4 at The Detroit Zoo and we encourage everyone to attend. As well as being a great opportunity to enjoy one of this region's major icons, we will be helping fund much of the budget of our Merle and Shirley Harris Children and Family Services Division.

This is a year to remember the past, celebrate our growth and achievements, and look to the future.

**Whether you are served by JARC, a volunteer, a donor or a sponsor, I ask you to be involved and ensure that JARC continues to be a vital resource in the community.**  
Happy Anniversary, JARC.

ROBERT NUSBAUM, JARC Board President

## SpringElation Safari off to a successful start!

Over 50 JARC supporters gathered at the home of **Stacey and Marc Wittenberg** to kick-off the 11th annual SpringElation Safari fundraiser and JARC's 40th anniversary celebration. JARC Board President **Rob Nusbaum**, CEO **Rick Loewenstein** and Co-chairs **Ron Applebaum and Jenny Kaplan, Ryan and Lindsay Dembs** along with Stacey and Marc Wittenberg, explained the important work and tremendous needs of JARC's *Harris Children and Family Division*.

L to R: Chairs Jenny Kaplan and Ron Applebaum, Ryan and Lindsay Dembs, Stacey and Marc Wittenberg

**Sue Leydorf**, a very involved grandmother of triplet boys, 2 of whom have autism, spoke about the difference JARC has made in her family's life because of the gift of respite care. **Laurel Berger**, Director of the Harris Children

and Family Division reiterated, "our fear is that in these tough economic times, we would hate to have to decrease services to people who have such great needs."

SpringElation Safari will take place at The Detroit Zoo on Thursday, June 4 from 6:00-9:00 pm. The exclusive JARC evening will include a picnic dinner by **Matt Prentice Restaurant Group**, scavenger hunt for the kids, docent tours, music by **StarTrax**, as well as all zoo exhibits. Visit [www.jarc.org](http://www.jarc.org) to register today.

## **Bill Sloman and Dave Wittenberg Project Green Fund Established**

**BILL SLOMAN**

**DAVE WITTENBERG**

***We are proud to announce the establishment of the Bill Sloman and Dave Wittenberg Project Green Fund.***

The Fund was made possible by a gift from **Larry and Carol Sloman Wittenberg** and was named in loving memory of their fathers. The fund — JARC's first "green" fund — will be used for a variety of ecologically responsible initiatives at JARC, including providing a geo-thermal heating / cooling system at JARC's newest home, the **Nusbaum Family Home** in Farmington Hills, scheduled to open in the spring.

Establishing a "green" fund was particularly meaningful as "Bill Sloman and Dave Wittenberg both loved nature," said Carol. "They would love to know that the environment is being protected in their names. Both were the kind of men who always rooted for those people

who may not have had someone in their corner. And since they loved nature, they would be so pleased if they knew that a green fund was established in their name."

The Wittenbergs have always thought that JARC is special, but when Carol's cousin Rick Loewenstein became JARC's CEO, that cemented their commitment to JARC. They were proud to be among the first to set up a fund under Rick's leadership.

Carol continued, "Making a donation in honor of our fathers feels good. If they knew that this was happening, it would bring a smile to their faces!"

***Tributes to the Bill Sloman and Dave Wittenberg Project Green Fund can be made at [www.jarc.org](http://www.jarc.org) or by calling JARC at 248-538-6611***

### **Ben-Ozer Residence** — *continued from page 1*

JARC, however, did have a need to replace a 2-story condo with a 1-story unit in order to better meet the needs of the two men who lived there. The proceeds from the sale of the Ben-Ozer home provided for the difference between the two units, plus all the necessary move-in costs.

JARC has had an important place in Shoshana Ben-Ozer's heart for many years. "As the Education Director of Congregation Beth Shalom in Oak Park in the 1990s, I created a program for the 7th grade through high school students with the JARC residents to provide enriching experiences for all the participants. For many students, this was a first encounter with disabled people. Others have only seen disabilities from afar. Getting to know the person beyond the disability is a horizon-changing experience that I hope the students take away for life. The students and JARC residents enjoyed the friendships that developed naturally, and the JARC residents additionally enjoyed being part of the Congregation, both at the Synagogue and at their residence."

***" ... getting to know the person  
beyond the disability is a horizon-  
changing experience ... "*** — *Shoshana Ben-Ozer*

The Ben-Ozer's daughter and son-in-law, Dr. Snunit Ben-Ozer and Jeff Gold, were instrumental in bringing this very special gift to fruition. Rena Friedberg, JARC's Chief Development Officer, was "deeply touched by the pride in Snunit's voice when she spoke of her mother's involvement with JARC over the years, and how important it was to commemorate Mrs. Ben-Ozer's commitment through the family's gift."

Our heartfelt gratitude goes out to the Ben-Ozer and Gold families for their meaningful gift to JARC.

***Tributes can be made to the Ben-Ozer Independent Living Residence at [www.jarc.org](http://www.jarc.org) or by calling JARC at 248-538-6611.***

## *The feeling of 'home' begins with a house ...*

*Recently one of the women from the Beit Channa Home passed away. Following the memorial service at the home, her sister wrote the following letter and we wanted to share it with you.*

*When my parents realized that Melanie had severe disabilities, I was told she would be my responsibility when they passed away. I worked very hard to try and live up to their expectations; however, with Melanie's passing I realized she wasn't only a responsibility but a very deep love. That has left a deep void in my heart that I worry will never heal.*

*However, I find comfort in knowing that Melanie did not just have a good placement in a nice house, but that she was fortunate enough to have finally found a HOME, where she was loved and accepted. In essence she was able to live the last few years of her life with pride and, most of all, dignity. I will always be grateful for that.*

*Needless to say JARC will always hold a special place in our hearts, and we find great comfort in knowing that another special woman will have a safe and happy environment to live and flourish in.*

## *... and the*

*Unfortunately, parents with special need individuals spend many sleepless nights worrying about the health and welfare of their children and the rest of the family spend countless hours trying to dry the tears of their parent's anguish while trying to assure their aging parents that their special needs siblings will be taken care of. You, the staff at JARC, has given my family the pride that we were not only able to meet our parent's expectations, but far exceed them.*

*At a time like this thank you seems so inadequate but, unfortunately, I am unable to come up with any words. Please know that JARC will always hold a special place in our hearts and will always be our favorite charity.*

*Thank you again for your kindness and may God hold you, the staff, and the residents in the palm of his hands to care and protect.*

Warmly,

*Pam Eldred-Robbins and Norman Robbins*

## Help Ensure JARC's Future:

### Establish a Fund at JARC

JARC's named funds are a wonderful way to honor or memorialize a loved one, as well as help JARC. Recently, JARC simplified its guidelines on establishing a named fund, making it even easier to do so. There are two types of funds:

**ENDOWMENT FUNDS** Endowment funds are available for a minimum of \$25,000, and can be designated for a general or specific purpose. Endowment funds are permanent, with the corpus preserved. Interest, dividends and tributes are used annually for the fund's purpose. Your gift to establish an endowment fund can be paid over 5 years.

**SPENDABLE FUNDS** Spendable funds are available for a minimum of \$5,000, and can be designated for a general or specific purpose. Interest, dividends, tributes and a portion of the fund's balance are used annually for the fund's purpose. Spendable funds are not permanent, but have a guaranteed lifespan.

*Family and friends can make tributes to both Endowment and Spendable Funds and your loved one will be honored at JARC throughout the fund's lifetime.*

For more information on establishing a fund contact Rena Friedberg at 248.538.6610 x314 or [renafriedberg@jarc.org](mailto:renafriedberg@jarc.org)

(L to R) Katie Brickel, Dan Polito, Doug Thorpe, Pete Huegli, Dawn Dorsch, David Goodman, Grace Mancenido, Steve Williams, JARC Property Manager Mike Cottle and Indraneel Page

*As part of JARC's Corporate Volunteer Program, Netshape International, LLC spent the day doing much needed demolition work at one of JARC's homes. Team leader David Goodman brought his fellow engineering co-workers and enabled JARC to save over \$3,000.*

## **CHEERS to The Jewish Fund**

**Individuals served by JARC have become valued members of the community, increased their self-esteem and built genuine friendships as a result of the CHEERS Project, a three-year grant funded by The Jewish Fund.**

All too often, people with disabilities exist in the community, but are not truly of the community. They exist along side their fellow community members, but are not really connected to community life. In an effort to overcome these barriers and provide people that JARC serves with a "Cheers moment" (like the TV show, it's a "place where everyone knows your name"), JARC instituted the CHEERS project. The purpose of the CHEERS Project is to foster connections and friendships between people with and without disabilities.

By employing specific strategies that promoted acknowledgement, appreciation and acceptance of people with disabilities, the CHEERS Project enabled 36 people with disabilities to foster community connections. The CHEERS Project enlisted a corps of Community Guides, specially trained JARC staff members who help break down barriers and helped the individual served by JARC to be fully accepted and connected to others.

A few of the CHEERS success stories include the following:

**Abbie**, has expanded her comfort zone and reached out to be a part of multiple connections. In the warm months Abbie is an active member of two different hiking clubs, Sierra and Beautiful Single Hiker. During the winter months, she joined a table tennis club. Abbie has made several acquaintances, which she hopes will result in lasting friendships.

**Usher**, a Russian-speaking man, attends the Circle of Friends Russian Acculturation Club at Congregation Beth Shalom. He is welcomed

and greeted in Russian. A fellow member of the club has a friend that comes from the same village as Usher. As a result of this group, Usher is in the process of expanding his circle of friends.

**Joe** is a volunteer StarTrax MC. He meets with Paris, a Star Trax MC twice a month to MC and spin albums. He MC's JARC's Annual Hanukkah Party. Joe and Paris have developed a caring relationship.

**Jeff** has become part of the usher corps at Beth AHM, something he has wanted to do for along time. He looks forward to going and the congregants greet him by name. Jeff is sought after to join in after-services activities and is warmly greeted by congregants he sees outside of the synagogue.

**Richard** is a full-fledged volunteer at the Cranbrook Institute of Science's Bat Zone. He helps take care of the bats and has made many friends there.

**Stacey** is a Jewish Family Service's Friendly Visitor. She visits with Minnie, an elderly woman who does not get out of her house much. They do what many friends do: play cards, have lunch, which Stacey often prepares, and go on walks. Their friendship is very strong and they very much enjoy seeing one another.

**JARC is extremely proud of its accomplishment with the CHEERS Project, and has presented this successful project at two statewide and one international conference in Canada.** Two addition presentations are scheduled for later this year.

L to R: Minnie and Stacey

**The CHEERS PROJECT has become one of the most important programs for JARC and the people it serves.**

**We are grateful to the generosity of The Jewish Fund for its support.**
